MISSION

To provide sustainable high-quality, cost-effective services to our valued clients in a timely manner ensuring a secure atmosphere for our employees to outperform and grow as talented and innovative team players

CORE VALUES

QUALITY

We are committed to providing the highest quality to our clients and to add value to their investment.

INTEGRITY

we will be honest and open in our dealings to win the trust of our customer and partners.

RESPECT

we treat other as we would like to be treated.

CREATIVITY

we aspire to provide always innovative solutions

OUR HSE PHILOSOPHY

When it comes to safety, our philosophy is that any successful job or project is directly attributed to exceptional performance and well planned services. Our unmatched safety record is a result of avoiding less than desirable workmanship and errors associated with rushing, stress, and poor work conditions. The majority of incidences are attributed to human error, thus minimizing or eliminating such conditions results in fewer incidents.

SIG steel fabrication management is committed to continuous development and improvement of safety programs to protect our team members on all job sites. We also acknowledge that our company's staff and professionals are our precious assets. We are proud of our safety record, and continue to strive to make our facilities and job sites safer. We will never compromise the safety of our staff, equipment, or our customers.

SIG Steel fabrication adheres to all Occupational safety, health compliance associated with OSHA and our internal proprietary HSE policies. This compliance assures our company members and clients that all business practices are performed in a safe manner, matching our corporate values and practices.

SIG IS DEDICATED TO PROTECTING AND PRESERVING THE WORKING ENVIRONMENT IN A RESPONSIBLE MANNER..

We assure you our best service at all times and looking forward for a long lasting and mutually beneficial relationship with all our partners

We have a wealth of experience customizing and fabricating structural steel products for many different industries.

LIGHT STRUCTURE PRODUCTION & FABRICATION

Fabrication of Tanks, Skids and Cat Ladder, Cladding Support Structures

Fabrication of Truck Bodies, Caravan & Mobile Units, Car Parks and Accommodation Cabins

Fabrication of Platforms, Rooftop and Solar Carport Steel molds /shutters.

WHAT WE CAN PROVIDE

SURFACE PREPARATION & PROTECTION

Protective / Industrial Coating Sand Blasting, Fire Protection Coatings and Powder Coatings

End-to-End Design and Detailing, BIM Capability, Project Management, CNC Plasma Cutting, Insulated Solutions

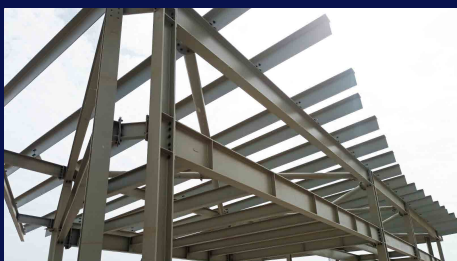

VALUE ENGINEERING SERVICES

Erection of Steel Structures, Industrial & Commercial buildings, Roof trusses and Transport Infrastructures

Pre-Engineered Building (PEB) Structure Production, Mezzanine floors, Storage tanks

Electric OHL Tower, Communication Towers structures, Substation works Pipe Racks & related Civil works

HEAVY STRUCTURE PRODUCTION

OUR RESOURCES

FACILITY

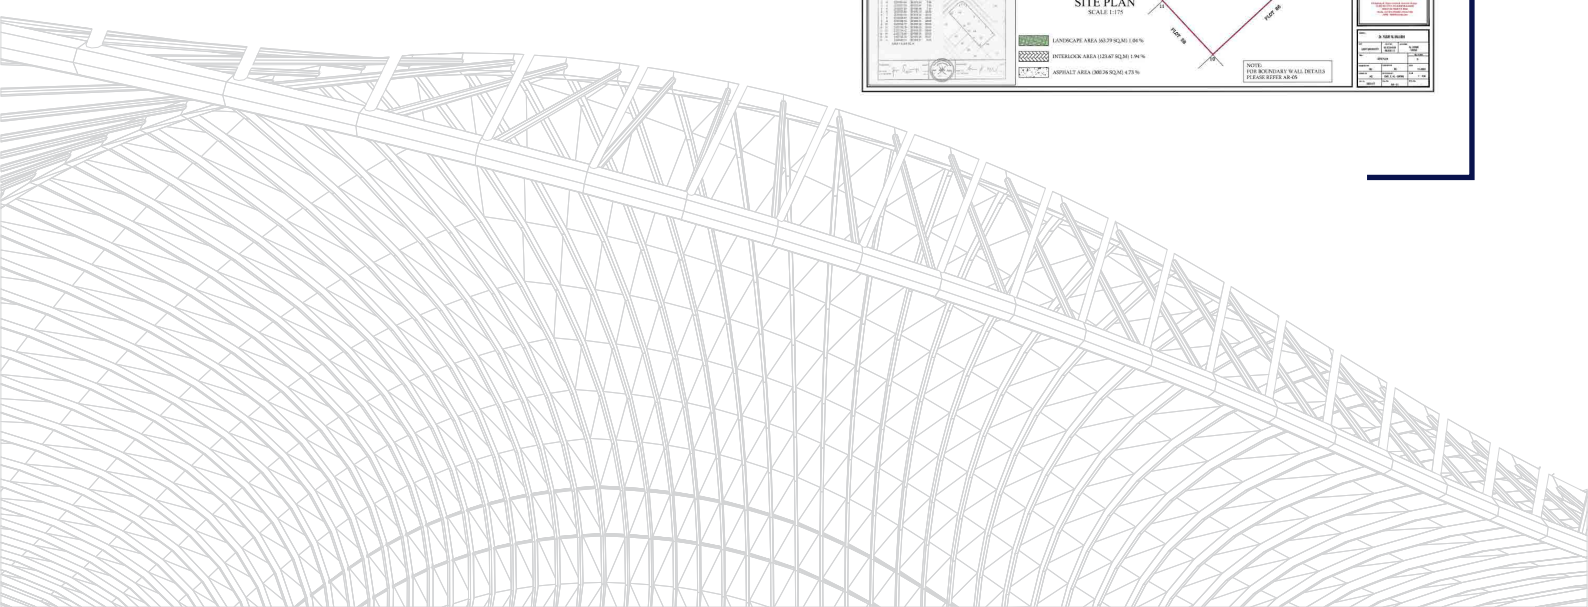

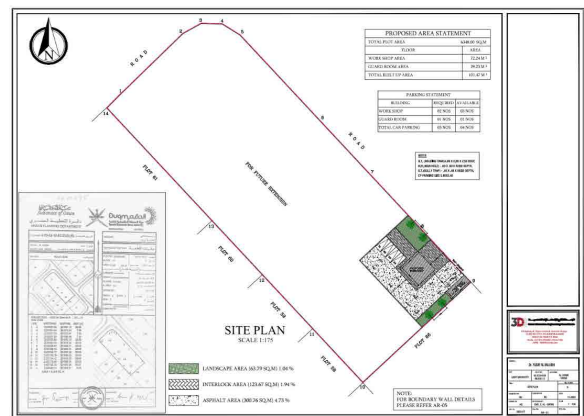

SIG Steel fabrication is based in Misfat Industrial zone, We have more than 1200 Sq.m facility made of mild steel modular workshop industrial shed equipped with EOT Crane , closed shed for Blasting & Painting, and also area for open yard fabrication.

Equipped with CNC Plasma Machine, Hydraulic Plate Bending & Cutting machines, Lathes, Radial Drilling Machines, and other automated and semi-automated machinery.

FUTURE EXPANSION (DUQM)

Our future workshop expansion plans are reliant on our success in securing ongoing and repeat business with new and existing clients. Our plan for future expansions include:

- Additional 10 000m2 of workshop floor at completion
- 2 x 10t Overhead Cranes
- Dedicated mechanic maintenance workshop
- New sandblast pit with grit recovery system
- Large industrial painting facility
- New amenities buildings

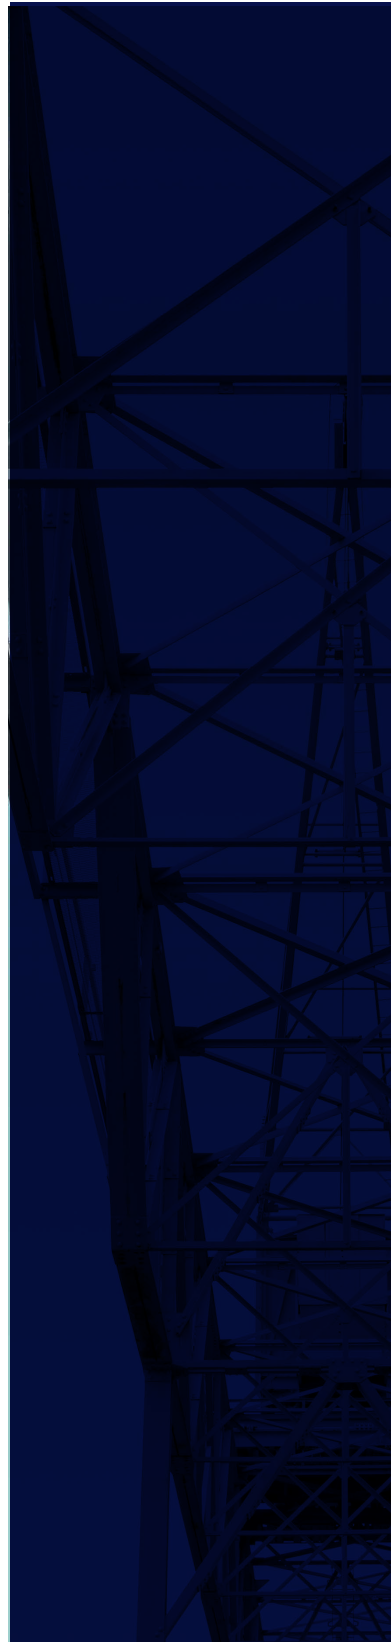

OUR RESOURCES

EQUIPMENT AVAILABLE

Band Saw
Cutting Press
Air Compressor
Forklift (3 Ton Lifting Capacity)
Iron Worker (HKM 85)
Lathe Machine
